HAPPY TRAVEL KIDS LOLLY

GINGER ESSENTIAL OIL

LEMON JUICE

NATURAL COLA FLAVOUR

INDIVIDUALLY WRAPPED LOZENGES

Helps prevent nausea and vomiting due to motion sickness.

Motion sickness, an all-too-common childhood occurrence, is a source of unhappiness and discomfort for all affected children (and their families), and can cloud and dampen the enthusiasm of any trip or outing.

The Happy Travel Kids

Lolly is proven to help prevent and alleviate nausea and discomfort due to motion sickness in children six years of age and older. With a pleasing natural cola flavour and containing natural ginger and organic lemon juice, the **Happy Travel Kids Lolly** is both enticing to children and gently effective due to the proven anti-nausea and digestive properties of the main medicinal ingredient, ginger root extract.

MEDICINAL INGREDIENT

Each lozenge contains 4.46 mg of *Zingiber officinale* (ginger) (root) essential oil.

NON-MEDICINAL INGREDIENTS

Isomalt, natural cola flavouring, lemon juice, concentrates of apple, carrot, hibiscus and molasses, sucralose.

RECOMMENDED DOSE AND DIRECTIONS FOR USE

For children 6 years and older: 1 lozenge every 4 hours as needed, up to a maximum of 3 lozenges per day.

Give your child a first lozenge 30 minutes before starting your trip.

Do not exceed recommended dose. Consuming more than the recommended amount can have a laxative effect.

CAUTIONS AND WARNINGS

Consult a healthcare professional if symptoms persist or worsen.

Read this leaflet carefully and keep for future reference.

STORAGE

Store in a cool, dry place, away from light, direct sunlight and sources of heat. The expiry date only applies if the product is stored correctly and the packaging is undamaged.

Keep out of reach of children.

SUGAR FREE

CONTENTS

Each package contains 10 lozenges, 9 g each
Total Net Quantity: 90 g
