

HALYKOO™ is specifically designed with children and parents in mind as a complete product family of over-the-counter natural health solutions developed in Switzerland. HALYKOO™ products provide effective yet gentle relief for a range of common childhood illnesses and conditions. Parents are the experts in keeping their children happy and healthy, but when a common childhood illness clouds the sky, HALYKOO™ is here to help!

HALYKOO™ products are driven by Swiss innovation, combining scientific know-how and research, the recognized benefits of high-quality organic and naturally sourced ingredients, along with innovative, convenient child- and parent-friendly delivery methods and packaging. HALYKOO™ products provide solutions designed specifically to share the journey with you and your child through each stage of his or her development.

ORAL THRUSS WIPES

Helps remove oral thrush and soothe the affected area.

Oral thrush is an infection caused by *Candida albicans*, a fungus naturally present on the skin and the mucous membranes of the mouth, which can cause small white spots or patches (that can look like milk stains) to appear in the mouth (on the tongue, gums, and the inside of the cheeks) and on the lips. Though it's not painful, oral thrush causes discomfort.

The **Oral Thrush Wipes** can help remove your child's oral thrush by physically removing the signs of infection. Each wipe is infused with a special solution of organic calendula and natural mallow extract, which coats the area and helps to create a protective barrier against fungus.

CALENDULA

SINGLE-USE
INFUSED WIPES FOR
TOPICAL USE

MALLOW

INGREDIENTS

Solution: *Malva sylvestris* (mallow), *Calendula officinalis* (calendula), water, sorbitol, glycerine, allantoin, potassium sorbate, sodium benzoate, calcium gluconate, disodium EDTA, citric acid.

Fabric: 100% polypropylene.

DIRECTIONS FOR USE

Wash your hands before opening the sachet. Wrap the wipe around your index finger and wipe over the infected area, removing the white patches. Repeat after every meal with a new wipe.

CAUTIONS AND WARNINGS

For use inside the mouth only. Avoid contact with the eyes. Use immediately after opening. Do not use in case of known hypersensitivity to any of the ingredients. Consult a healthcare professional if symptoms persist or worsen.

Read this leaflet carefully and keep for future reference.

STORAGE

Store in a cool, dry place.

Keep out of reach of children.
