### For the relief of sore throats.

The **Soothing Throat Spray** with hyaluronic acid is designed to help relieve sore throat symptoms caused by the inflammation of the mucous membranes lining the upper airways by creating a protective barrier that soothes and promotes healing. The drug-free combination of natural hyaluronic acid, betaine, and certified organic mallow forms a protective layer over the sore throat, helping to gently promote the healing process. Betaine is an amino acid extracted from sugar beets that retains water in its cells. In a dry environment, such as a sore throat, betaine releases water, helping to relieve dryness. The leaves of the mallow plant are rich in mucilage, long chains of sugars (polysaccharides) which expand when in contact with saliva to form a gelatinous solution that covers the sore throat, isolating it from irritants and helping to soothe the soreness.

### INGREDIENTS

*Malva sylvestris* (mallow) extract, *Aloe vera* (powdered leaf gel), hyaluronic acid

sodium salt (sodium hyaluronate), water, glycerine, betaine, gluconolactone, disodium phosphate, polyvinylpyrrolidone (PVP), potassium sorbate, sodium benzoate, citric acid, calcium gluconate.

### DIRECTIONS FOR USE

Children 2 years and up: Spray 2 doses into the mouth, up to 3 times per day. Do not consume food or drink, or use other products, for 15 minutes after application.

### CAUTIONS AND WARNINGS

For application to the mouth and throat only. Do not inhale. Avoid contact with eyes and direct contact of applicator with the inside of the mouth. Consult a healthcare professional if symptoms persist or worsen.

Do not use in case of known allergies to any of the ingredients, or in case of asthma or other respiratory conditions.

Do not use for children under 2 years of age. If your child experiences nausea, dizziness, headache or an allergic reaction, discontinue use.

Use within 30 days of opening.

Read this leaflet carefully and keep for future reference.

### STORAGE

Store in a cool, dry place, away from direct sunlight and heat.

**Keep out of reach of children.**
